

Two-Rock Boutique Guitar Amplification

K&M Analog Designs

SD 2x12 Cabinet

\$1 100.00

Our SD 1- and 2-12 Signature cabinets are the ultimate guitar extension cabinets. Designed specifically to match our Signature Series Amplifiers, the SD cabs feature void free multi-ply birch construction, special bracing, tuned back, sides, and baffle, and tuned rear port. The result is a stunningly lively cabinet with a huge soundstage and even bass and dispersion.
